

EMT recognized for 20 years of service

Firefighter/EMT Rodney Savage was recently recognized by the Board of Directors of the National Registry of Emergency Medical Technicians for achieving 20 consecutive years as a Nationally Registered EMT. By maintaining his Registry status, which includes continuing education, Rodney is among the few EMTs with the most training in pre-hospital emergency care in the nation. Rodney has been on staff at Washington Township for 18 years and works from Station 92 on Hard Road.
