

Resident Stakeholder Meeting – June 24

We're planning our Resident Stakeholder Forum and we need YOUR help! Our goal is to keep the Dublin Community safe and we rely on our wonderful residents for their cooperation and feedback on important safety topics and we're asking for your participation. Sign up to represent your neighborhood and help us, help you!

This meeting will take place on Saturday, June 24, 9am-noon at our township administration building (6200 Eiterman Rd. in Dublin) for a small and select group of people in the community. The purpose of this event is to discuss the partnership between our individual establishments, evaluate the trends in our neighborhoods, and better understand how Washington Township can address the current and future needs of our residents.

We value your opinion and your attendance and participation in this event is greatly appreciated. In order to help us prepare as efficiently as possible, please fill out the form below by June 17. If selected as a participant, you will be contacted via e-mail with further information. Thank you!

Resident Stakeholder Meeting
