

# **Still time to register for Jan. 23 class, “Until Help Arrives”**

What can you do to help an injured person at an emergency scene? You may be surprised to find out how important your actions can be in saving a life. “Until Help Arrives” teaches citizens what they can do during the time between the accident/injury and when first responders arrive. Topics covered in this class include 911 calls, bleeding control, hands on tourniquet application, patient movement and providing support. Ages 13 and up. \$5/person. Register at the City of Dublin Parks and Recreation.
