

The Best Defense: Virtual Conversations with the Fire Department

These virtual conversations are free to participate with advanced registration required. Registration is through the City of Dublin, [click here to register](#). Once registered, participants receive the Zoom meeting information.

Signs & Symptoms of Cardiac Distress

Learn how to recognize symptoms of a heart attack and sudden cardiac arrest, and how to best respond until emergency responders arrive. Gain knowledge in stroke awareness and proper handling of an AED. Washington Township Fire Department's EMS Manager John Nichols and Community Safety Educator Sara Hall, lead the discussion and answer your questions.

Date: Tuesday, April 20

Time: 11:30am

Ages: 18 & up

Emergency Preparedness

Emergencies can arise quickly and without warning. Knowing what to do and having a plan is your best protection. Battalion Chief Mike Riebel discusses ways to help you prepare for emergencies. Escape plans, emergency contact lists, how to buy or make an emergency preparedness kit, and creating a plan are just some of the topics covered.

Date: Tuesday, May 11

Time: 6:30 pm

Ages: 18 & up

Home Fire Safety

Have you ever wondered what type of fire extinguishers you need at home and when smoke detectors need replaced? Learn great ways to keep your home safe, develop fire escape plans, and keep your home free from hazards.

Date: Wednesday, June 9

Time: 2pm

Ages: 18 & up
